MODEL G20 SUMMIT 2027

Dear delegates and faculty advisors,

In September 2023, the G20 leaders meeting in New Delhi adopted their declaration only after their negotiators found wording on the war in Ukraine that every member could accept. Agreement at the G20 works this way. A text is adopted when no member objects to it, so each delegation has to understand the others well enough to write words they can sign.

The Model G20 Summit asks the same of you. You will represent a G20 member in one working group. You will prepare with a background guide and the rules of procedure, and then spend two days negotiating with delegates who see the problem differently, until your working group has a text that every member accepts.

FLAME University hosts the summit again on its campus in Pune, and AFS India joins us as programme partner. I look forward to meeting you in June.

Warm regards,
**Swagat Yadav**
Founder, One Young India

> Model G20 is a simulation for school students, organised by One Young India and hosted at FLAME University. It is not organised or endorsed by the G20, any G20 government or the Government of India.

THE SUMMIT

# How the summit works

Students who know Model UN, where resolutions pass by majority vote, find Model G20 a harder test. A single objection holds up the text, so every clause has to be negotiated until all members accept it.

MODEL G20 SUMMIT 2027

## Two tracks

The G20 works in two tracks. The Sherpa track, led by each leader's personal representative, covers areas such as development, health, climate and the digital economy. The Finance track, led by finance ministers and central bank governors, covers the world economy, debt and financial rules. Each delegate represents a G20 member in one track.

## Working groups

Within each track, delegates sit in a working group on one agenda. Over Saturday and Sunday they negotiate their part of the communiqué with counterparts from the other members.

## Prepared before the summit

Each delegate gets the background guide for their working group and the rules of procedure, joins online sessions with One Young India, and writes a short white paper on their member's position.

## The Leaders' Session

On Sunday afternoon the working groups' texts come together in the communiqué, which the Leaders' Session adopts by consensus at the closing ceremony.

FOR DELEGATES

# What delegates take home

01

## A certificate

Signed by FLAME University and One Young India, for every delegate.

02

## Awards

For the best delegates in each working group, presented at the closing ceremony.

03

## A chance to publish

Every delegate writes a white paper on their member's position. Standout papers are published through One Young India. Publication depends on review and is not guaranteed.

04

## A year of Learnacy Essential

Included in every registration: self-paced courses, each with a completion certificate, plus the Writing Studio and World 101 member tools.

## Training from the hosts

Friday is a day of training: the opening ceremony, then sessions led by One Young India and FLAME University that prepare delegates for the working groups.

## Four nights at a university

Delegates live on the FLAME campus in Pune from Thursday evening to Monday, with all their meals there.

# The working groups and their agendas

Each working group is modelled on a group that has met in the real G20 in recent years, so delegates learn how the forum works. Model G20 is organised by One Young India and is independent of the G20 and of every G20 government. More working groups open as places fill.

MODEL G20 SUMMIT 2027

## Working groups in session

### Sherpa track

1. **Digital Economy and Artificial Intelligence**
   *Should G20 members agree common safety tests for the most powerful AI models before they are released?*
2. **Energy Transitions**
   *Who should refine the world's critical minerals: the countries that mine them, or new plants in the countries that buy them?*
3. **Trade and Investment**
   *Tariffs and the equal treatment rule: should the WTO's most favoured nation principle be reformed?*
4. **Health**
   *After aid cuts, who pays for pandemic preparedness and for treating epidemic diseases in poorer countries?*
5. **Agriculture**
   *Keeping food and fertiliser moving during wars and trade disputes.*

### Finance track

6. **International Financial Architecture**
   *Should G20 creditors, private lenders included, pause debt payments for the poorest countries?*
7. **Sustainable Finance**
   *Who pays for adaptation to a hotter climate in the countries that can least afford it?*
8. **Financial Inclusion**
   *Online payment scams that cross borders: how should G20 members protect young people and teach them to manage money safely?*

South Africa · Indonesia · Japan

SCHEDULE

# Five days on the FLAME campus

MODEL G20 SUMMIT 2027 · PROGRAMME

| | | |
|---|---|---|
| THURSDAY 17 JUNE | **Arrival** | |
| | By the evening | Delegates reach the FLAME campus and register |

FEES AND REGISTRATION

# Fees and deadlines

| REGISTER | FEE PER DELEGATE |
|---|---|
| By Sunday 31 January 2027 | ₹17,700 |
| By Thursday 15 April 2027 | ₹19,900 |
| By Monday 31 May 2027, or until full | ₹22,500 |

- Every fee includes taxes, meals, four nights on the FLAME campus and a year of Learnacy Essential.
- A deposit of ₹5,000 holds a place until 15 April 2027. The balance is due by 15 May 2027.
- Students from AFS India schools keep the first fee, ₹17,700, until 15 April 2027.
- Delegates arrange their own travel to Pune.

## How to register

**modelg20.com/flame**

Each delegate registers online. Schools that want to send a delegation can write to us at info@oneyoungindia.com.
