ONE YOUNG INDIA

A proposal for schools · November 2026

Beyond the classroom. Into the world.

Programmes from One Young India for students in Grades 8 to 12: at your school, online, and on our own programmes.

oneyoungindia.com

Who we are

Since 2019, bringing subjects together.

One Young India brings subjects together through programmes, mentorship and learning resources. We make room for curiosity, play and learning for its own sake, helping young people ask questions, explore ideas and create work of their own.

Grades 8 to 12

Programmes built for secondary school students.

Online and on campus

Live programmes, plus a year of independent work at the student's own pace.

10 subjects

A correlative curriculum: 60+ topics, joined across subjects.

Learnacy

Learning how to learn. We teach through discussions, case studies, live projects, quizzes and gamification.

Model G20 at your school

Bring a Model G20 summit to your school.

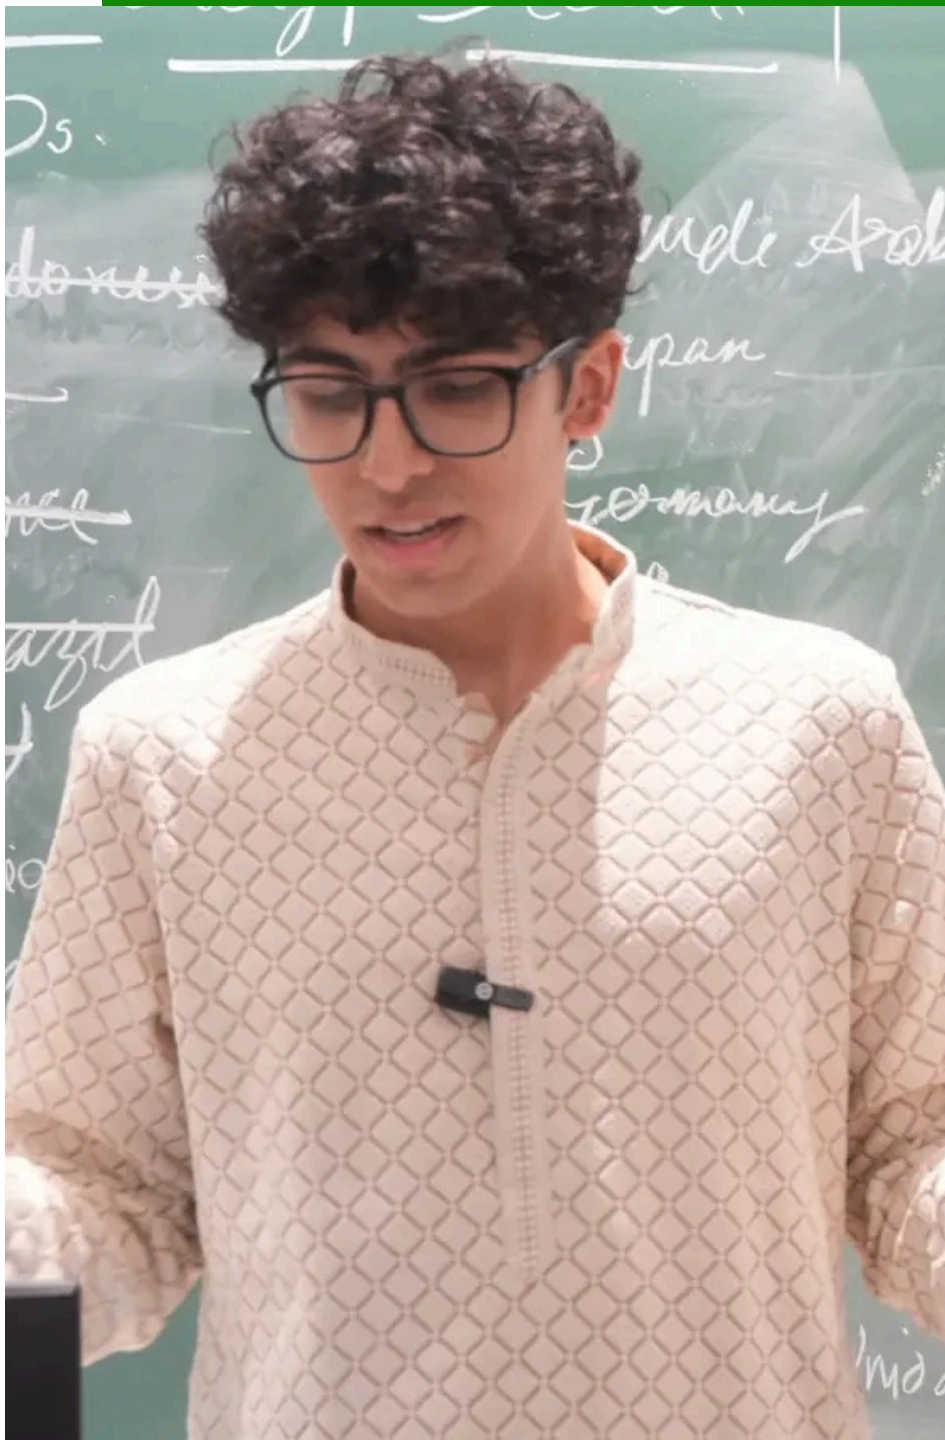

A turnkey way for your school to host its own economic-diplomacy summit, built around the G20's agenda and decided by consensus: no majority vote, no veto.

1. **We bring the framework**
   Committees, country matrix, rules of procedure, background guides and delegate training.

2. **Your students run it**
   We train your student secretariat to chair. The summit ends in a signed communiqué.

3. **Dual certification**
   A joint certificate from One Young India and FLAME University. Winners qualify for the national residential championship.

Grades 8 to 12 | In person or online | FLAME UNIVERSITY

Schools that have hosted

A growing circuit of school-hosted editions.

Every edition runs the same consensus format, real committees, position papers and a signed communiqué.

10 to 11 October 2026

The School of Raya, Bengaluru

A 2-day school edition on the school's own campus.

29 to 30 August 2026

Manav Mangal Smart School, Mohali

A 2-day summit across 10 committees. Winners earned a place at the FLAME University residential championship.

18 to 19 April 2026

Scottish High International School, Gurgaon

Inaugural 2-day summit, 10 working groups, Grades 6 to 12, dual certification with FLAME University.

May 2025 and May 2026

Learning Paths School, Mohali

The inaugural 3-day school edition in 2025, and a second edition on the Mohali campus in 2026.

October 2025

Indus International School, Pune

A 3-day on-campus edition for Grades 8 to 12.

2024

Mayo College, Ajmer

Two editions hosted through 2024.

Model G20 Online

A Model G20 summit for your school, online.

A two-day online summit for a group of your school's students, held as a school event.

Format	Theme	Dates
Two days, online	**Diplomacy in a Disrupted Age**	**Agreed with your school**

Fees on request. Ask us on a 30-minute call.

The Learnacy Schools network

A network of schools, free to join.

For schools who believe an education should end in the appetite to keep learning: schools who teach the syllabus, then teach past it. No dues, no franchise, no logo tax.

The charter: six convictions a school affirms to join

I **Learning outlives school.**

II **The world is the syllabus.**

III **Students are authors.**

IV **Curiosity is graded first.**

V **Open doors, both ways.**

VI **A network, freely given.**

What your school gets

- No membership fee, no dues, ever.
- The “A Learnacy School” seal, to display on your site and gate.
- Your students' work eligible for our review board and publication.
  Publication depends on review and is not guaranteed.
- First to be invited to our talks, and welcome to invite us to yours.
- Priority to host your own edition of a One Young India programme.

7 to 10 Jan 2027, 10am to 2pm IST

Model NITI Aayog

Online · 16 hours over 4 days

Investigate a public policy question, weigh the evidence and develop a white paper.

Next batches
24 to 27 Dec 2026, 4pm to 8pm IST
7 to 10 Jan 2027, 4pm to 8pm IST

Model G20 Summit

Residential · 3 days · Pune

Represent a delegation, negotiate with other students and work towards a joint communiqué on global issues.

Next summit
18 to 20 June 2027

Learnacy Mentorship

Online · 18 weeks · Grades 8, 9 and 11

Choose a question of your own and spend 18 weeks finding out, in a small studio group and one to one with a mentor.

Next intake
January 2027, by selection

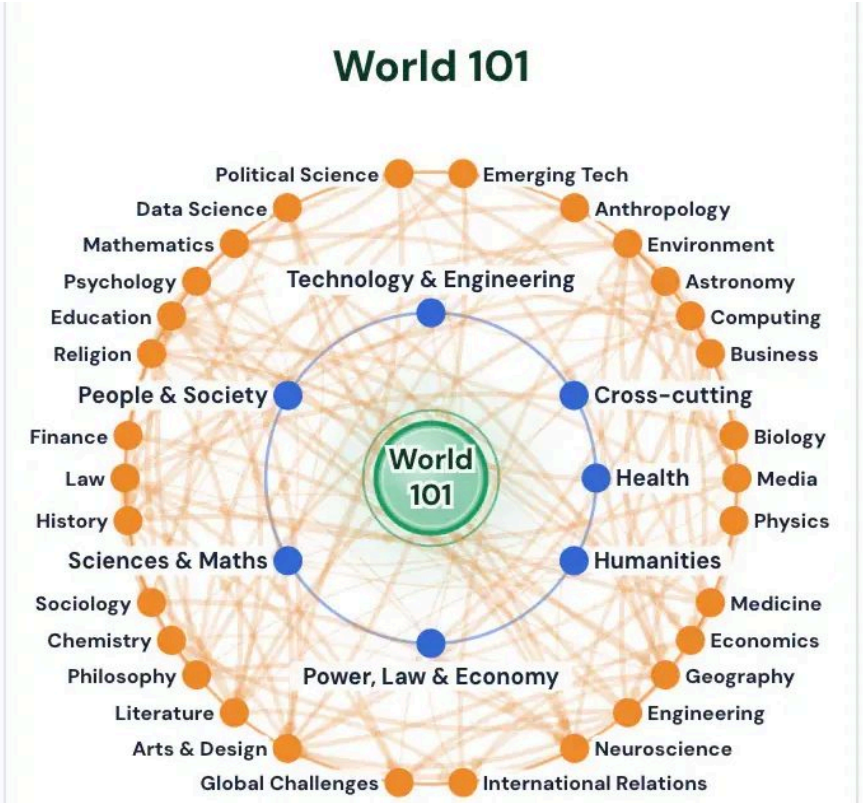

Learnacy Essential

A year of independent work, at the student's own pace.

₹1,499 for the year, including GST.
No automatic renewal.

- All 10 self-paced courses
- Labs in 3D (Beta)
- World 101 member tools
- The Writing Studio, with feedback from an AI writing coach and submission to The OYI Review
- Editorial review, and publication of one accepted paper (publication is not guaranteed)

With a free account: every lab in 2D, the World 101 map, and 5 drafts in 15 formats.

World 101: 365+ subjects and thousands of non-obvious threads.

In students' words

What students say about our classes.

> “You didn't just tell us about that, but you actually made us experience that ourselves by constantly asking questions throughout.”
>
> A student at a One Young India workshop

> “The biggest eye opener, it's the idea that there's so many connections that I can make with my knowledge that I am not making right now.”
>
> A student at a One Young India workshop

> “This class is engaging and not for a moment was I bored.”
>
> A student in a One Young India class

> “You said we're gonna be doing science, I was a little apprehensive because I've never understood science, but I actually understood everything that was happening in class.”
>
> A student in a One Young India class
